## Conditions in the Civil War: Cause and Effect Chain

**Instructions:** Respond to the following questions based on what you know about the conditions and experiences of the U.S. Civil War soldiers, especially those who were wounded and disabled, from the "Life and Limb" exhibition. As a group, organize your responses in a 'cause and effect chain' chart on another piece of paper.

1.	What were some	conditions	that the	Civil War	soldiers	faced	12

$\sim$		C . I	1	1 1 1 7	
1.	How did	some of those	conditions shar	ne soldiers'	experiences
	IIOW ala	Joine of those	conditions snap	oc solaicis	CAPCITCITCES.

3. How did recovery outcomes of wounded soldiers dictate the soldiers' future during the war?

4. How did the Americans' desire to put the war behind them affect the attitudes toward and experiences of the disabled Civil War veterans?
